Re: Addition to the Channel Line-up

Dear Mr. Spring,

In our continuing effort to keep you informed about the Comcast products and services available in your community, I am writing to inform you of an addition to the Comcast channel line-up. This change is effective February 3, 2010.

Beginning February 3, 2010 WJYS-WEDE will be available on Basic digital channel 249. WJYS-WEDE showcases a wide variety of programming including entertainment, religious, family and news and information programming. Customers who have a digital television set, digital converter box or a CableCard will be able to view this programming.

Customers will be notified in advance of this change. Please feel free to contact me at 708-237-3229 if you have any questions or would like additional information.

Sincerely yours,
